President's Message

Greetings Members,

I hope this writing finds all of you and your families well.

When asked about the most important thing to know as a leader, former New York City mayor Rudolph Giuliani said: "You must know what you believe in before you start leading others". So here it is! I believe that our union can be cohesive, prosperous, and powerful if we are willing to do the work it takes to get there.

The thing I find when representing members is a certain degree of the time each individual is more interested in what they want instead of what could or can be achieved collectively, which brings me to this point. We should be aware of our responsibilities and commitments collectively instead of as individuals.

We have a team of wonderful Officers and Association Reps who work diligently behind the scenes to keep our home fires burning! But we need the entire memberships help too. Please get involved.

IF YOU WANT TO HOLD PEOPLE ACCOUNTABLE, THEN YOU NEED TO BE ABLE TO BE COUNTED ON AS WELL.

In Solidarity

Harrison Gets into PARCC Spirit

Students and staff created a motivating video to encourage students to try their best on the upcoming PARCC test. Ms. Nagy, Dr. Perez, Mrs. Espin, Mrs. Ruiz, Ms. Pilles and Mrs. Mosery were the planners of the video. The words to the song “Can’t Stop The Feeling” were changed to tell about the strategies and skills students were going to use to do their best on the PARCC! Students and staff danced and sang along to the new words of the song. The video can be viewed on the Harrison School’s website.
