## **ARTICLE III GRIEVANCE PROCEDURE**

### A. Definitions

1. A "grievance" is a claim by an employee or the Association based upon the

interpretation, application, or violation of this Agreement, policies, or administrative decisions affecting an employee or a group of employees.

2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. Pursuant to Chapter 269, P.L. 1989, if applicable, all disciplinary grievances shall terminate in binding arbitration.

B. Purpose

1. The purpose of the grievance procedure is to secure, at the lowest possible level, equitable solutions to grievances which may from time to time arise from claimed violations of this Agreement. Both parties agree that these proceedings shall be kept as informal and confidential, as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed as limiting the rights of any teacher having a grievance or complaint to discuss the matter informally with any appropriate member of the administration and having the grievance or complaint adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure

1. Any employee who has a complaint shall within twenty (20) school days of the occurrence of the act or knowledge of the condition which is the subject of the complaint, discuss it first with his immediate superior (vice principal or principal) in an attempt to resolve

the matter informally at that level.

2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee, he may set forth his complaint in writing to the principal or other immediate superior. The principal shall communicate his decision to the employee in writing within five (5) school days of the written complaint.

3. If, following the determination of the principal, the matter is not resolved to the satisfaction of the employee, he may set forth his complaint in writing, including the specific contract provision alleged to be violated and the specific relief sought, to the Superintendent or designee within five (5) school days of the determination by the principal.

4. The Superintendent or designee shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the written complaint from the employee following step three (3) listed above. The Superintendent or designee shall communicate his decision in writing to the employee, to the Association, and to the principal or other immediate superior.

5. Any complaint not resolved to the satisfaction of the employee after review by the Superintendent or designee may, at the discretion of the employee, be submitted for a review by the Board. The complaint shall be in writing, including the specific contract provision alleged to be violated and the specific relief sought, and shall be submitted within five (5) school days after receipt of the Superintendent or designee's decision.

6. The Board, or a committee thereof, may review the grievance and shall, at the option of the Board, hold a hearing with the employee grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within thirty (30) calendar days of the next Board meeting if during the summer after receipt of the appeal or, if a

hearing is granted, within twenty (20) calendar days of the date of the hearing.

7. Notwithstanding any provision of this Agreement, the following shall not be considered grievances under this procedure beyond the level of the Board:

- (a) The failure to retain a non-tenure teacher,
- (b) Matters where a specific method of review is prescribed by law, or by any rule or regulation of the State Commissioner of Education or the State Board of Education; and
- (c) The adoption, revision, amendment, or revocation of, Board policies, other than those policies or matters affecting the terms and conditions of employment, shall be within the sole province of the Board. Those matters concerning the terms and conditions of employment are grievance and not included in this exception.

8. If the matter is not settled after action by the Board, it may be referred to the Professional Rights and Responsibilities Committee (hereafter the PRRC) of the Association for consideration. The Committee shall make a determination within five (5) school days, notifying the employee, in writing, of that determination.

- (a) If the PRRC of the Association determines that the complaint has or may have merit, it may recommend that the same be submitted to arbitration, notifying the employee and the Board, in writing, of that determination.
- (b) If the PRRC of the Association determines that the complaint is without merit, it will so advise the employee, in writing, and a copy of its findings shall be sent to the Board.

9. If the PRRC determines that the grievance is meritorious, it may submit the grievance to arbitration within twenty (20) school days after receipt of the decision of the Board.

- (a) Within ten (10) school days after such written notice of submission to arbitration, the Board and the PRRC shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator, or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.
- (b) The arbitrator so selected shall confer with the representatives of the Board and the PRRC and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act which is prohibited by law or which is violative of the terms

of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory, except that it shall be binding in those cases where the grievance involves an alleged contractual violation only.

- (c) The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
- (d) The parties direct the Arbitrator to decide, as a preliminary questions whether he has jurisdiction to hear and decide the matter in dispute. The arbitrator shall have no authority to add to or subtract from the Agreement. The Arbitrator shall be bound by the applicable laws of the State of New Jersey and the laws of the United States and decisions of the courts of the State of New Jersey and the courts of the United States. The arbitrator must address only the issue submitted to arbitration and shall not have the authority to determine any other issues not so submitted, nor shall the Arbitrator render observations or declare opinions which are not essential in reaching a determination.
- (e) Each grievance shall proceed separately through the process to arbitration unless mutually agreed to by the parties.

10. In the event a grievance is not processed to the next step within the agreed

upon time limits as set forth in the contract, then the grievance shall be deemed to have been resolved at the previous step; in the event the Board of Education fails to respond to any grievance at any step within the agreed upon time limits, the grievance shall be deemed to have been denied and the Association has a right to proceed to the next step in the grievance procedure. Timelines may be extended by mutual agreement in writing.

11. All steps in the grievance procedure shall require the Association to include the entire documentation submitted at each and every step below, both the submission or submissions by the Association and response or responses from the Board representatives. Failure to produce such documentation shall not be grounds for denial of the grievance by itself.

D. Rights of Employees to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself or, at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the PRRC, or the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Pending determination of a grievance or in any dispute between employees and the Board, the grievant and all employees shall continue to perform their duties under the direction of the Superintendent or designee until the grievance is settled and/or decided.

2. All documents, communication, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3. All meetings and hearings under this procedure shall not be conducted in public, and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

4. In the event a grievance cannot be resolved by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as is feasible.

5. If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievances in writing, using the procedure in C.3, to the Superintendent or designee, or Principal, as appropriate, directly, and the processing of such grievance shall be commenced at that level.

6. All grievances of aides shall end at the Board level, except those pursuant to Chapter 269, P.L. 1989, if applicable.

#### **ARTICLE IV EMPLOYEE RIGHTS**

A. Pursuant to Chapter 303, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join, and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection, or to refrain from any of these activities. As a duly selected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 303 or other laws of New Jersey and the United

States; that it shall not discriminate against any teacher or other employee with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, his participation in any activities of the Association and its affiliates, collective negotiations with the Board, or his institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

C. No employee or teacher shall be disciplined, reprimanded, or reduced in compensation without stating the reasons therefore. Any such action asserted by the Board, or an agent or representative thereof, shall be subject to the grievance procedure herein set forth except for those cases that must proceed before the Public Employment Relations Commission or the Commissioner.

D. Whenever any employee or teacher is required to appear before the Superintendent or designee, Board or any committee, member representative or agent thereof, concerning any matter which could adversely affect the continuation of that employee in his office, position, or employment, or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview, and shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview.

E. After three (3) years of uninterrupted, continuous service, each custodial

employee who is to be reappointed shall be appointed for an unfixed term so as to provide the tenure protection available to such employees under the provisions of Chapter 137, Public Laws of 1960 (N.J.S.A. 18A:17-3 and N.J.S.A. 18A:17-4).

F. Anyone, other than central administration and the building principal or director, requesting to see an employee's personnel file shall be required to affix his signature and date to the front of said file.

G. An employee shall receive a copy of any letters of warning and reprimand, evaluation and observation, correspondence and reports, and letters of complaint from the public which result in a recommendation which may adversely affect the individual's employment status.
